

What's Happening at Holy Rosary

Our hearts were full last weekend as we celebrated First Holy Communion for Anaiah Garcia and Robert Howard, held our outdoor May Crowning Celebration and prayed a decade of the rosary, and prayed with our young people during our Youth Mass. Many thanks to our students who participated in our Liturgy as greeter, cantor, readers, and Eucharistic Ministers.

Last weekend marked our final School of Religion class for the year. Many thanks to our Principal, Doris Sandreth, and to the teachers and volunteers who assisted with this all-important program. Our children are our future and we thank you for sharing your faith with them each week.
